Sir,

I have the honour to invite kind reference to this office letter No A.C-1/42-43 dated 8th January 1943 forwarding an estimate for Rs 18,000 for widening and improving Benni Mantap Road and to state that the sanction of Government for additional grant of Rs 18,000/- requested for on the account may kindly be obtained and communicated. As already explained in my D C letter No 43 dated 16th October 1942 and subsequent letter No A1 C-1/42-43 dated 20th October 1942, the work was taken up on an urgent basis to make the road ready for the Dasara Procession An expenditure of Rs 11,645/- has already been incurred on the works out of the Trust Board Funds and the balance amount is also expected to be worked out during the current year As can be seen from the revised estimate of the Board, owing to the curtailment of the grant from 1,50,000/- to 75,000/-, the Board is unable to meet the above expenditure from out of its funds and as the treasury balance at the credit of the Board has run low, I request that sanction of Government may kindly be obtained at a very early date for the additional grant of Rs 18,000/- and communicated to this office early
